Volume XIV

The seventies were a decade of changes, opening new dimensions both in ourselves and in our society. Historical and political events such as Watergate, the ending of the Vietnam War, and the equal rights amendment, influenced our lifestyles and shaped the way in which we viewed and experienced the world around us. Approaching the eighties, we look back at the ideas, changes, and fads we have seen, some of which we will carry with us and many that we will leave behind. This is a collection of the people and events which helped to make our decade-

--the seventies.

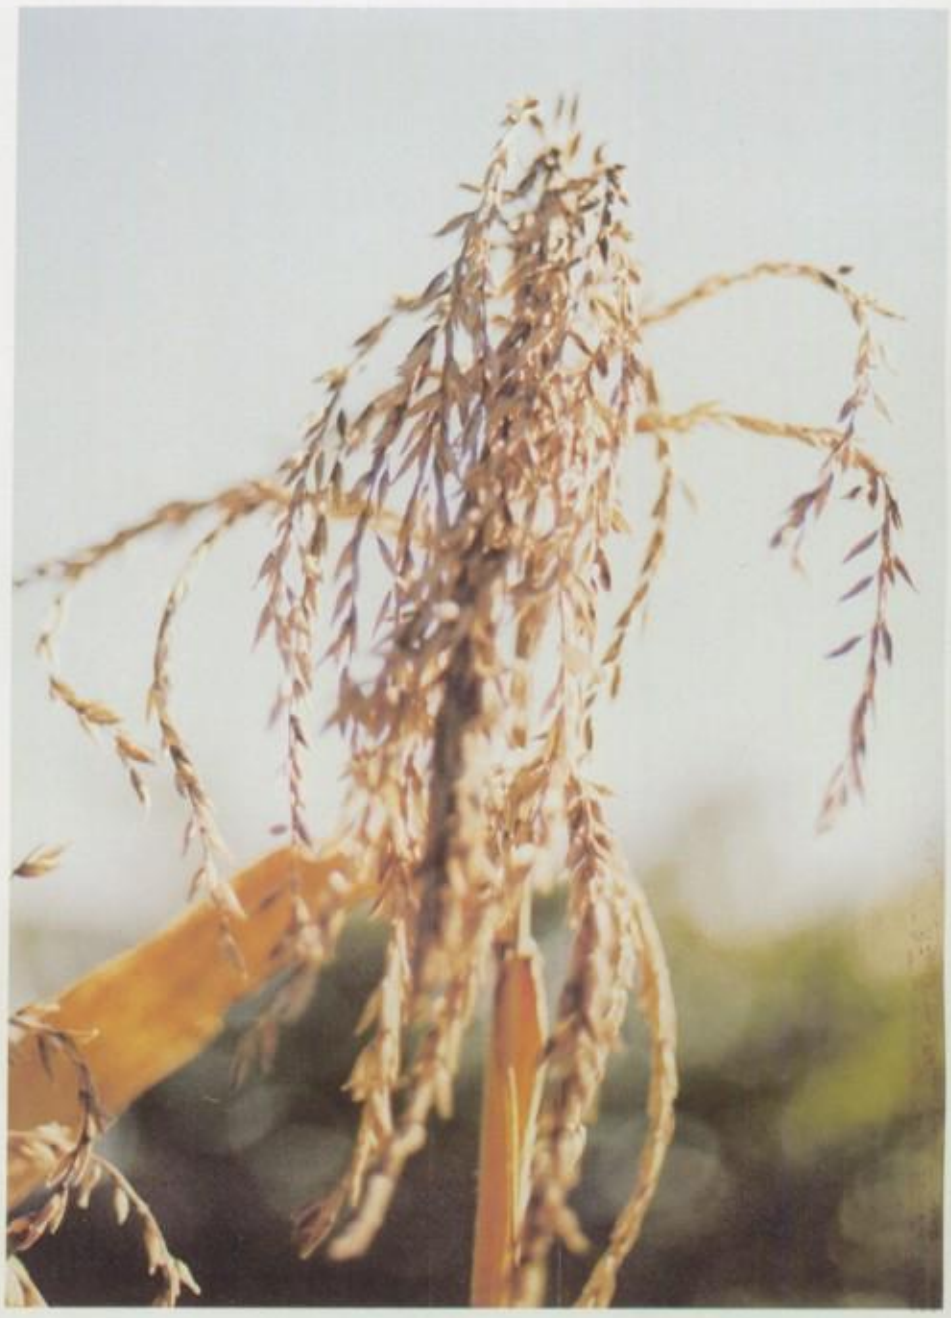
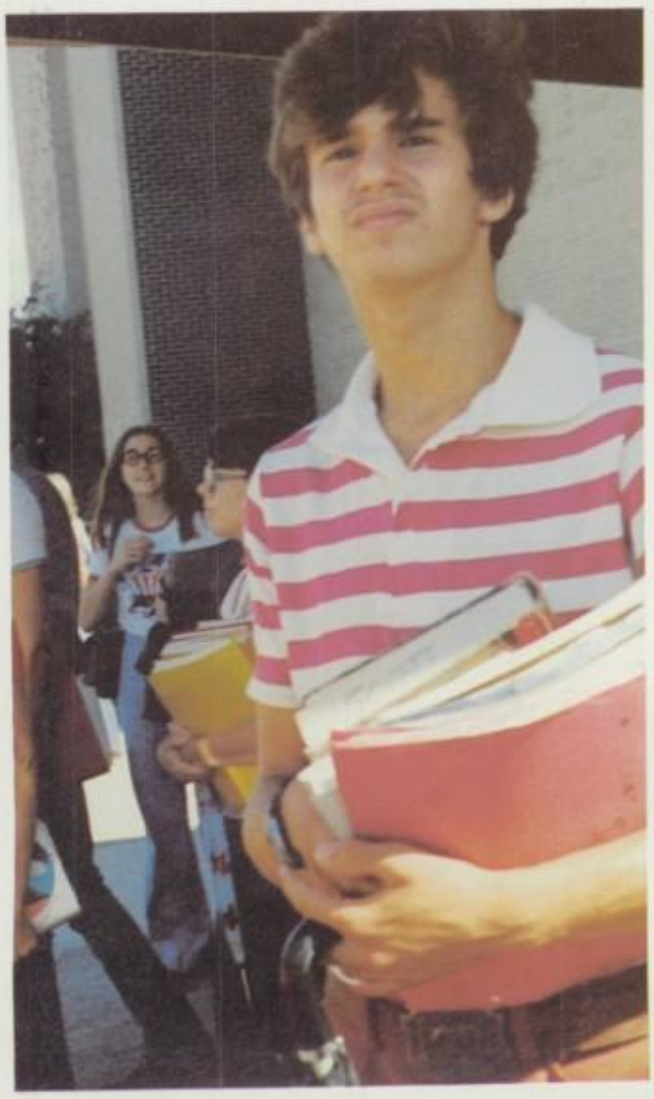
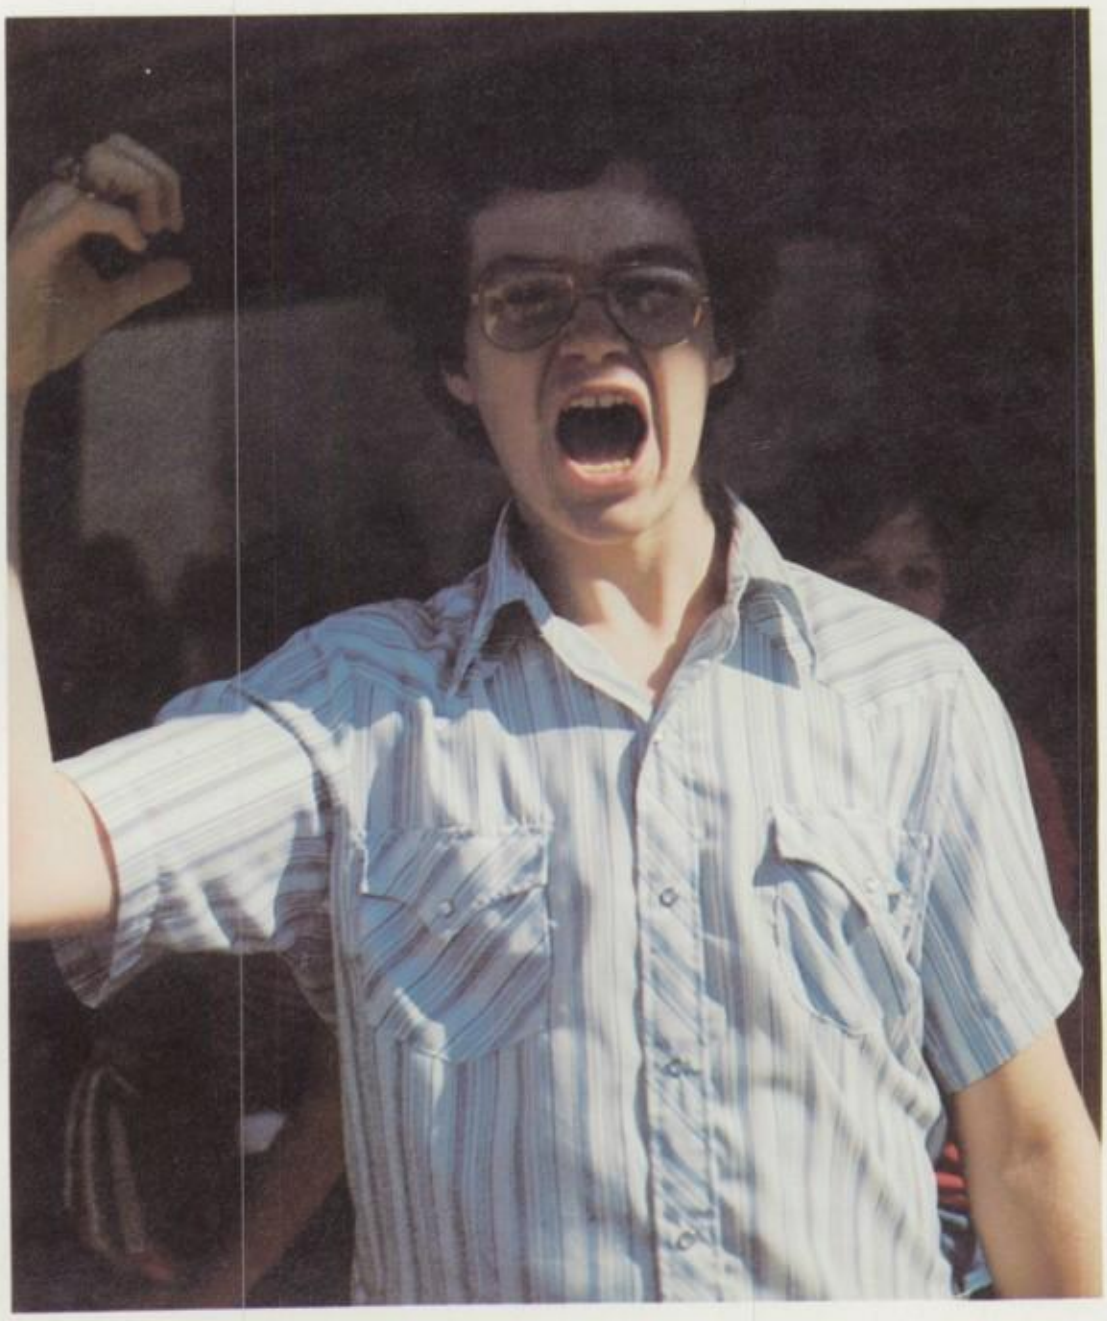
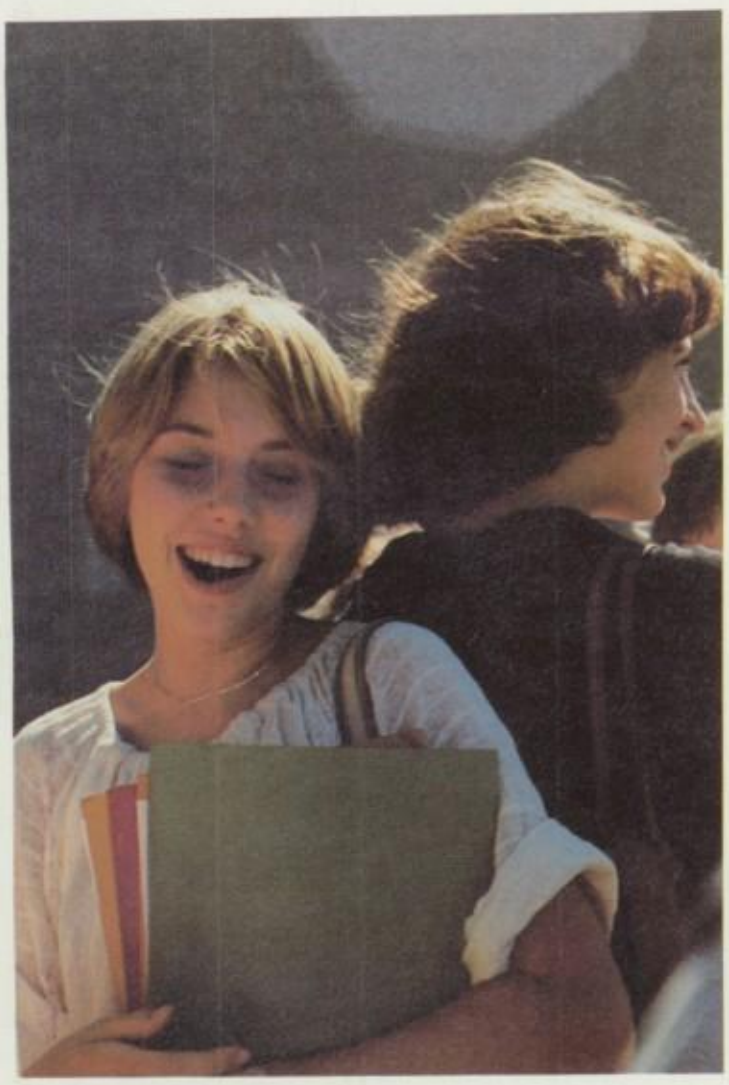
A New Cycle Unfolds









Darien Is Dazzled!

With the theme, Disney Dazzles Darien, Hinsdale South celebrated its 1978 Homecoming. Spirit week began the festivities with banners, junior olympics, and black and gold day. On Friday, enthusiastic students gathered for the pep assembly which featured the crowning of the queen. The colorful parade preceded the Hornets' stunning 22-0 victory over the Morton West Rams. The Homecoming dance, "Castles in the Sky", ended the exciting week of Homecoming.

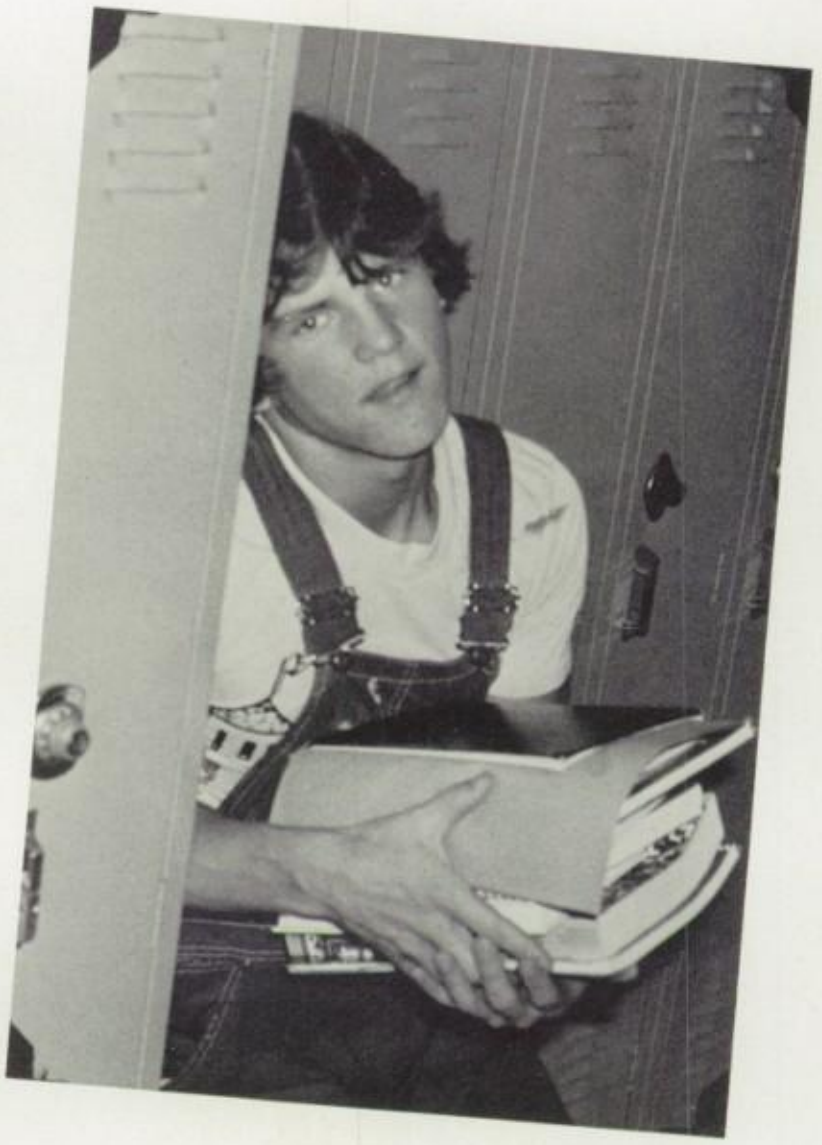
OF OUR OWN



We Did It Our Way . . . And We Didn't Get Caught

The senior class, under the direction of the officers, did their best to promote Hinsdale South athletics and spirit. Thanks to the wonderful and industrious officers and the support of the senior class, they did it. Fund raisers included turnabout, a flower sale, and the ever popular candy sale, which enabled the class to do prom their way at the beautiful Palmer House. Things bode well for this group of super seniors!

Top to bottom. Sponsor Mr. Haisman, secretary Marla Schulz, spiritmakers Frank Rosch and Glori Dunker, vice-president Sally Voorhees, treasurer Sandy Menconi, and president Mike Lyman. Not pictured are spiritmakers Cathy Twohig and Stacy Wood.

Class Of '80

With typical enthusiasm, the Junior class has been involved in several fund-raising activities such as selling Disney suckers during Homecoming week and having a bake sale. The class has also held the first Tupperware party at Hinsdale South. Proceeds from the sales will go towards next year's prom and class gift.

What high school is really about!

Freshmen

Show Spirit

This year the freshman class had great spirit and enthusiasm. During Homecoming week they worked diligently on their float and received second place. They also had a successful bake sale and sold basketball programs at the games. "Class of '82" buttons were also sold. With all the fund-raising and excitement the Freshman class is sure to go far.

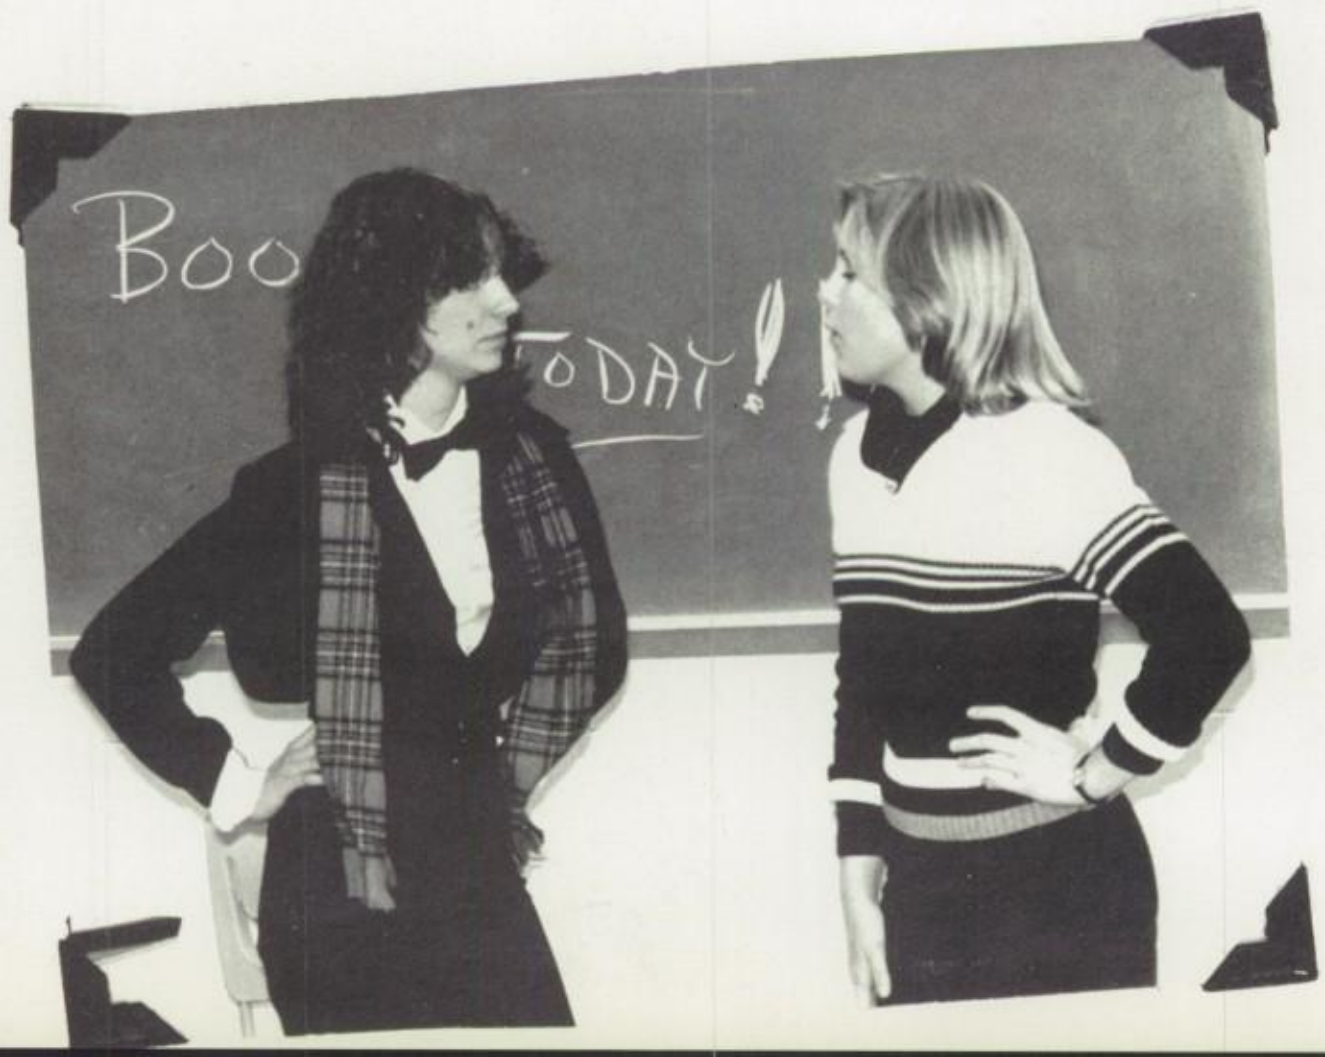
WHO

DUNIT?



AFS Abroad

AFS club had a successful year. Last summer Mary Navins was sent to Japan and Kristi Gustafson to Belgium with full scholarships. Ari Berkowtiz spent the summer in Brazil through AFS and Linda Zwicky stayed in Sweden. The Club's social highlight was the AFS weekend, when foreign students from the area stayed with Hinsdale South students. AFS raised money by candy and produce sales, and this summer Mary Kerrigan will be the club's exchange student. AFS is looking forward to sponsoring a foreign exchange student at South next year.

Sleeping in the wilds can be fun.

"We Hate Rabbits!"

The Wilderness Club has many inside jokes. Actually they love rabbits and all of nature, which is why they spend several weekends during the year roughing it in the woods. The activities this year consisted mainly of backpacking, canoeing, and cross-country skiing in various nearby state parks. The club owes its existence to the sponsors, Miss Lauer and Mr. Oldis.

Band

Adds Spirit

With an active schedule which includes playing at all of the home games for football and basketball, the various bands also perform in concerts and contests throughout the year. Making music at Hinsdale South is a demanding time-consumer, and provides a real service to the school. The flag line is in its second year and adds color to the performances of the marching band.

Bumblebee Has A Buzzy Year

Bumblebee is the hearing impaired department's newspaper — written, illustrated, and produced by hearing impaired students and their advisor. It provides an opportunity for hearing impaired students to improve writing skills and is also a vehicle for bringing news of special interest to people in the department. This is the Bumblebee's sixth year of publication.

Meeting Of The Minds

Hinsdale South's chess team, sponsored by Mr. Carvell, had an excellent building year. Since the team consisted primarily of freshmen, this year has contributed towards an optimistic outlook for the future. The members practiced twice a week, working for their eight to ten matches a year. Occupying the top spots on the team were Ed Kim, Dan Ruzicka, and Kevin Scannel.

Austria Bound

The Concert Choir, with support from the other choirs, worked hard to raise money for their summer concert tour of Austria. During the year a number of singers successfully competed at districts, and Kevin O'Brien qualified for the state music festival held in January. Three others were chosen as alternates. All the choirs were kept busy giving concerts throughout the year.

The Royal Guard

The Guard is a very enthusiastic organization which offers a learn-to-swim program every spring and fall for children in our community. This is an extremely worthwhile endeavor because after teaching children to swim, it encourages them to continue on in the competitive Age Group swim team, thus producing many fine athletes for Hinsdale South's swim teams. Among other activities, members of the Guard assist at South's boys and girls' swim meets — timing, announcing, taking stats, etc. You could say that the Guard is a fairly busy club!

Homecoming Committee

The success of the 1978 homecoming week was chiefly due to the efforts of a group of spirited people who made up the homecoming committee. With the theme of "Disney Dazzles Darien" the committee launched Spirit Week, which included the traditional but exciting activities of the junior olympics, the pep assembly, the alumni brunch, the game and the dance.

Key Club

The Key Club has been hard at work again this year. A Kiwanis-sponsored organization, it is involved in many activities such as the Kiwanis Peanut Day, AFS produce sales, and helping to restore the Darien Historical Building (Old Lace School). Other projects include shoveling sand for the Darien Women's Club luminaria sales, providing refreshments several times a week for adult education classes, and delivering food baskets to needy families. You could say that the Key Club is a fairly busy organization!

Jr. I.A.D.

In April, 1978, the Hinsdale South chapter of Jr. Illinois Association of the Deaf hosted a statewide convention on career awareness. Deaf adults pursuing careers as architects, chemists, actors, photographers, engineers, designers, teachers, and computer programmers, challenged hearing impaired youth to "Dream the NOT Impossible Dream." Workshop speakers shared their experiences, discussed their own frustrations and successes, and encouraged students to pursue their goals actively and with determination.

At the awards banquet that evening, individual members were recognized with leadership, scholarship, and citizenship awards. Hinsdale South was named chapter of the year.

WHSD

This year WHSD Spirit Radio had its largest staff ever. On Monday through Friday from 7:00 a.m. to 9:00 p.m., the club had the job of producing music shows shared with Hinsdale Central. WHSD broadcasted all of the Hornet football, boys basketball, and girls basketball home games. The station also broadcasted, for the first time, two of the Hornet wrestling meets which proved to be interesting.

STINGER Gets Scoop

Hinsdale South's newspaper, the STINGER, had a surprisingly successful year considering that many of the staff's regular writers, including the editor of the previous year, had graduated. However, Miss Waite found that the incoming freshmen as well as older students were dependable and full of talent. A major change in the paper entailed the switch from monthly to biweekly publication, a procedure that enabled the STINGER to provide readers with more timely news articles.

"We Care" sums up the attitude of this year's active student representatives. Teacher Appreciation Day, Blood Drive and the workshops with feeder schools are some of the constructive activities in which the Student Council participates. It is the Student Council which sponsors the variety show every year. In addition, this year the Council has instituted a special "suggestion locker" so that students may express their opinions on things that take place at Hinsdale South.

The spring variety show of 1978 was a sensational box office hit. The theme of this year's variety show was Star Fever. The many acts ranged from classical ballet to disco to the traditional senior play. The faculty advisors were Miss Meyer, Mr. Oftedahl, and Mr. Pittman. The talented directors were Jane Tikalsky, Eileen Keller, and Laura Ginett. The success of the variety show was due to the combined talents of both the cast and the directors.

This year's theme is a scrapbook of memories. Everyone has his own collection, reflecting his experience, but probably a few images are shared by all students and faculty at Hinsdale South. The caf, the cage, the student center, the locker room — each image recalls thoughts of old friends, triumphs, and follies. We, the *Vespa* staff, have our own collection of memories, and we look back on the 1978-79 school year with a sigh of relief and accomplishment. Our task is finished, our scrapbook of memories before you.
